PLEASE READ THE FINE PRINT

- ✓ We welcome all guests to the centre. Groups with catering will be shown to our private function room on arrival.
- ✓ You will need to bring helpers on the day for belaying (person who operates ropes for the climber). We find most parents jump at the opportunity to participate.
- ✓ Children under the age of 12 are not permitted to belay or to climb/play on the bouldering wall or mats.
- ✓ Each participant will need to complete an online waiver form (witnessed by a parent/guardian if under 18 years). These are found online or at the centre.
